

why imagine a painting that is not here?
why not see the painting that is HERE?

why make it into

'that is not me'

why do you say that?

nothing is not me. I am.
that is.

向前走，莫回头。

向前走，莫回头。

不要被吃掉，不要被吃掉。

不要被吃掉，不要被吃掉。

终将会到达。

终将会到达。

do we come into the awareness room?

an art space?

why nothing? how something?

where to point into?

蜡烛一盏盏亮起

when should a sentence end with a period?

That's ridiculous. Why so serious? it's so ridiculous.
Ridiculous.

oh yes. take what you need.

I have no answer for that.

I have no answer for that.

But that happens.

We have the opening.

We have no answer

That's OK.

That's OK.

Where?

What's the next generation?

What for them what to take
 what to make
 a difference
 how could I ever answer?

that's my humor
please don't take it away
 don't remove that
 you have it
 I need it.

It's crazy.

But we own that from the beginning.

You just need to own that You see.
 You c.

I do get mad.

That's ok.

That's ok.

How to be in the world?

But how?

How?

Why the art world?

What is the art world?

What is the world?

What is the world?

I want to live with it
don't want

I want to know that
don't want

"Where are we going with it?"

"Where are we going with it?"

It is to a degree.

Where to put that?

Institutional critique?

You pick.

Do you live with it?

我有好多话想跟你们说

还是算了吧。
